Subject: Russia/Political Prisoners/Yukos case

Ladies and Gentlemen,

I fully support the appeal of the Sovest (Conscience)¹ group on behalf of Mikhail Khodorkovsky and of all those have been persecuted in connection with the Yukos case.

I ask you to grant Mikhail Khodorkovsky, without any reservations, the status of political prisoner.

I ask you urgently to demand the swift relocation of Mikhail Khodorkovsky and Platon Lebedev to the Moscow area in accordance with Russian law, since their lives are at risk in the remote facilities in which they find themselves.

I ask you to do your utmost to convince the Russian authorities to review the case of Mikhail Khodorkovsky and Platon Lebedev - i.e. to provide them with a fair trial and with release on bail during the period of such a trial - and to demand of them fairness, objectivity and strict legality in all other criminal proceedings which have been instituted in the Yukos case.

In hope for your understanding,
